

Return form

Please use this template for all countries except of EU-countries, Norway & Switzerland.

We regret that the ordered article(s) were not matching your expectations. If you want to send some articles back to us please fill out the return form and enclose it to your return. This allows us to handle your return quickly and easily.

Please also note the following:

- We will take back your order within 20 days.
- If you want to exchange your order with other items we allow 40 days.
- Please pack the return effectively so that no damage is possible during transport.
- Please pack the return shipment in a way that it will be visible, if the package has been opened on the way of transport (so that contents cannot be removed unnoticed).

Thank you for your cooperation!

Print out the return form (following page), fill it out and enclose it with the return shipment. Please protect the environment and print only page 2.

Return the package to us with the enclosed return form. Please keep the parcel receipt. This will be used as proof of the return shipment in case the package is lost on the way to us.

After receipt and control of the returned goods we will refund the purchased price or if you prefer an exchange, we will change the articles according to your expressed wish.
